

USING EVIDENCE TO ENHANCE COLLABORATIVE PARTNERSHIPS IN THE TRI-CITIES

The Tri-Cities Local Immigration Partnership (TC LIP) would like to invite community stakeholders to learn about the 2016 Census data specific to the Tri-Cities, consider the effect of the data on their organizations' activities for newcomers, and to enhance partnership opportunities and collaboration with other community stakeholders.

***Speakers: Francisco Luna & Desiree Ng, Statistics Canada
Professor Daniel Hiebert***
