Coquitlam Public Library | 1169 Pinetree Way Coquitlam

Tri-City based community organizations are invited to an information session on Organizing Against Racism and Hate (OARH) Network. The session will provide more details on how to develop an OARH Network in the Tri-Cities, the support available for a new Network and the delivery expectations for a Tri-City network. We hope to identify lead and support organizations to be involved in the Tri-Cities.
