

## Employer Invitation to Participate

The Tri-Cities Local Immigration Partnership, in collaboration with Vancity & Coquitlam Public Library, would like to invite employers from different sectors to participate in this year's Newcomer Employment Week, an initiative to bring employers and service providers to connect with recent immigrants to support their integration in the Canadian labour market.

This year's theme is on the ***Importance of Workplace Culture***. Workplace culture is how you and your team work together, the values inherent in your organization, and the interactions, behaviours and attitudes within your organization. Our goal is to encourage organizations to share about their workplace culture to support newcomer jobseekers' understanding on its importance.

Newcomer Employment Week will take place from November 18- 22 across the Tri-Cities. Here are some ways your organization can get involved:

### ***November 18, 2019 | Coquitlam Public Library, City Centre Branch (1169 Pinetree Way) 1:30 – 2:30pm: Speed Networking***

Connect with newcomer jobseekers about your organization and learn about their skills and experience.

### ***November 19 – 22, 2019 | Workplace Tours***

Host a group of newcomer jobseekers to share about your organization, the varying roles in your organization and the recruitment process.

The parameters of the tour is up to you. Let us know the minimum and maximum number of participants in each group, dates, times and location (within Tri-Cities).
